Bachelor of Arts in **THEOLOGY AND LEADERSHIP**

PROGRAM OVERVIEW

The Bachelor of Arts in Theology and Leadership is a three-year program designed for individuals who desire formal preparation for leadership in a wide variety of ministry contexts. This degree equips future pastors, missionaries, ministry directors, teachers, and church leaders with a deep understanding of Scripture, theology, and effective Christian leadership.

Students develop strong biblical interpretation skills, theological foundations, research and communication abilities, and practical leadership competencies necessary for healthy ministry in the local church and beyond. The program integrates academic study with real ministry formation, helping leaders grow in both knowledge and character.

Through coursework in Bible and theology, leadership development, cultural and emotional intelligence, and hands-on ministry practice, graduates are prepared to lead with wisdom, integrity, and lasting Kingdom impact.
