LPU MICRO CAMPUS

PROGRAM OVERVIEW

The Associate of Arts in Biblical Studies is a 2-year program that provides you with foundational understanding of the Bible and the skills you need for effective ministry. You will study a broad curriculum taught from a Pentecostal, Christian perspective while becoming a leader who is prepared to serve God and teach His word. Students in the Immersive Training Program will combine our online education with practical experience and pastoral mentoring in their local ministry contexts.

FORMAT & SCHEDULE

The Bible is central to the Christian life and faith. Countless people miss out on the transformative power of God's word because they are confused, intimidated, or even misled. The world needs Christian leaders who love God, have a deep understanding of scripture, and are able to teach with truth and power. Life Pacific University's Associate of Arts in Biblical Studies will provide you with the foundation you need for ministry as a leader who is prepared to serve God and teach His word. Students in the Immersive Training Program will combine our online education with practical experience and pastoral mentoring in their local ministry contexts. Students enrolled in a full-time course load should expect to spend an average of 12–15 hours per week on coursework for each class.
