

## Associate of Arts in **GENERAL STUDIES ONLINE** LPU MICRO CAMPUS

### PROGRAM OVERVIEW

The Associate of Arts in General Studies is a 2-year program that provides you with foundational understanding of the world in which you live and the skills you need to make a difference. You will study a broad curriculum taught from a Pentecostal, Christian perspective while gaining marketable skills in written and oral communication, critical thinking, research, and quantitative reasoning. Students in the Immersive Training Program will combine our online education with practical experience and pastoral mentoring in their local ministry contexts.

### FORMAT & SCHEDULE

The online associate's program is a 2-year program which students can begin in either the fall or spring. Each semester is divided into two 8-week sessions with two classes per session and one 16-week ministry practicum/immersive training course that stretches across the entire semester. In addition to weekly reading and assignments, students will engage in their community through various ministry opportunities at their Immersive Training location. Students enrolled in a full-time course load should expect to spend an average of 12-15 hours per week on coursework for each class.
